

Waterford Speedbowl Juice Box Rules(updated 8/27)

Only Radio Flyer 24 volt ultimate go-karts are allowed and can be purchased at retailers including Walmart,Amazon,Radio Flyer and even FaceBook Marketplace (new & used).

A brand new kart is around \$ 399.00. You can rent a kart from Steve Moore (860) 782-1985 for 30.00 plus helmet rental or bring your own.

The go-karts will have a #7 or #9 on them and that should be changed to the child's favorite number.

This helps each child stand out and be recognized.

These same go-karts race at Pomfret, Berlin Fairgrounds, Lebanon Valley, Riverhead and Poughkeepsie Race tracks.

We want to have two divisions if there is enough interest.

Division 1 “5 & UNDER THUNDER” will be for 2-5 year olds (12-15 laps)

Division 2 “TNT OUTLAWS” for 6-9 year olds (15 laps)

We may be able to do a quick 2-4 lap practice just before features.

Depending on who enters we can change that around age-wise.

Racers must wear closed-toed shoes and a helmet to race.

(A bike helmet is ok to use)

NO MODIFICATIONS ALLOWED

This is a performance-based rule,this does **not** include bodies,fairings,steering wheels or fancy decals.

Stock batteries can be replaced only with the same type batteries no exceptions.**Stock plastic tires** only.

No entree fee to race and **kids 8 & under are free** at the front gate. Give the child's name-

age and car number at the registration tent/pit.Have your go-kart fully charged when you arrive.

You may want to put the kart on a wagon or lawn-kart for moving them around.(kinda heavy)

NO MONETARY AWARDS as we offer these events for kids to have fun and have a chance to race on the “BusBowl”or big track! Ribbons and trophies may be given out after the race(s).

NO riding around the grounds except when the officials call you to line up for your race.

One parent or guardian is allowed to help help their child just in case.Pit area will be left of the main gate.
